Afeefa.de bringt geflüchtete und engagierte Menschen zusammen – finde jetzt dein passendes Engagement! Das Projekt selbst sucht auch stets neue MitstreiterInnen!

Time to get connected!

Afeefa.de is a multilingual information platform for all actors in the field of asylum, migration and integration. We connect migrants, engaged people and locals to support a democratic, humane and inclusive society. We offer an overview of local contact points, current events, practice-oriented background knowledge and space for individual offers and requests.
